We offer a variety of services that promote self-sufficiency and improve the lives of over 10,000 individuals each year, with programs focusing on basic human needs, school readiness, employment, and economic literacy.

USDA is an equal opportunity provider, employer, & lender.

WINTER OVERNIGHT SHELTER

for Single, Homeless Men & Women in the New River Valley

**November 2, 2019—
March 27, 2020**

Homelessness looks very different in the New River Valley than it does in more urban areas.

Individuals in our area who find themselves without housing often include those:

Experiencing long-term unemployment or underemployment.

Facing foreclosure or eviction.

Awaiting approval for government or veteran homeless-intervention programs or disability determination.

Persons in our area who have no permanent home are generally less visible because they may temporarily live in motels or with friends. Many of the guests who have found shelter through TOH have previously lived in:

The woods

Caves

Storm culverts

A friend's pickup truck

A cardboard box

How TOH Works

- 4** Guests enjoy breakfast in the morning and transportation back to the Intake Center. A bag lunch is provided for the day.

“To Our House helped me to become independent and motivated. I got an apartment myself and a full-time job. I felt I was a broken person before TOH....

I am so much better.”
